DIGEST

Marionneaux (SB 346)

Present law provides that shad and skipjack may be taken after sunset and before sunrise during open season in Lake Palourde and Lake Verret.

Proposed law retains present law and adds water bodies in Iberville Parish where shad and skipjack may be taken after sunset and before sunrise during open season.

Present law allows shad gill net to be fished in Lake Verret, Lake Palourde, or Lac Des Allemands but does not allow the use in the streams, bayous, canals, and other water bodies of Lake Verret, Lake Palourde, or Lac Des Allemands.

Proposed law retains present law and adds the water bodies of Iberville Parish where shad gill net may be fished.

Effective August 15, 2010.

(Amends R.S. 56:322.2(D)(2) and (G))
